

Lignofuels 2010

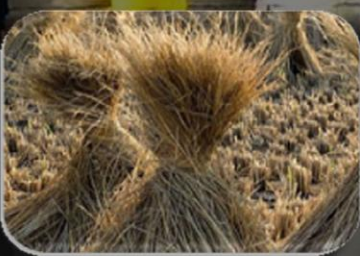

ACI

01-02 December, Madrid, Spain

Paving the Road towards the Commercialisation of Cellulosic Ethanol FT-Liquids & Drop-In Fuels Including Biobutanol

Key Topics:

- Policy Developments Affecting Cellulosic Biofuels
- Economic Considerations: Investment & Cost
- Feedstock Options: Key Considerations
- Key Challenges in the Commercialisation of Next Generation Biofuels
- European Cellulosic Ethanol, FT-Liquid & Drop-In Fuel Project Updates
- Lignofuels & the Oil Industry
- The Future of Lignofuels in the Automotive and Aviation Industries

Who Will Attend?

Technical, strategic and business development executives from first and advanced generation biofuel producers, oil refiners, process technology providers, enzyme developers, engineering firms and agribusiness as well as traders & brokers, automotive & aviation industries, financiers, investors, consultants and chemical companies.

OPPORTUNITIES TO MEET YOUR TARGET AUDIENCE:

Companies can gain direct access to our senior level audience and have an increased level of visibility through branding and networking at the conference. For information on available sponsorship and commercial opportunities, please contact:

Emmanuel Bossman on +44 207 981 2508 or euoffice@acieu.net

**Paving the Road towards the Commercialisation of Cellulosic Ethanol,
FT-Liquids & Drop-In Fuels Including Biobutanol**

DAY ONE: 1st December 2010

08.00	Registration and Coffee
09.00	CHAIRMAN'S OPENING ADDRESS
09.15	KEYNOTE ADDRESS
	Global Potential for Cellulosic Biofuels and the Importance of Strong Renewable Policy to Drive Industry Deployment
	<ul style="list-style-type: none"> Overview of renewable fuel policies and how these are impacting the development of cellulosic biofuels Technological and commercial progress in the cellulosic biofuel industry
	Joseph Skurla, President & CEO, DuPont Danisco Cellulosic Ethanol
10:00	SESSION ONE
	Economic Considerations: Investment & Cost
	<ul style="list-style-type: none"> What are your options for securing funding and financing for your lignofuel project? What are potential investors looking for in a project? Maximising the attractiveness of your proposal Decreasing the initial construction and production costs whilst minimising risk
11.15	Morning Refreshments
11.45	SESSION TWO
	Feedstock Options: Key Considerations
	<ul style="list-style-type: none"> Analysis of cellulosic feedstocks including agricultural crop residues, wood residues, dedicated energy crops and municipal waste Ensuring sustainable feedstock production: a focus on iLUC Prices and how these are affected by the competition for these feedstocks Securing feedstock supply: the challenges ahead for the feedstock producers and what can be learned from the biomass to power market?
	Liliana Gamba, Consultant, Ecofys Germany
13.35	Lunch
14.35	SESSION THREE: PART ONE
	European Project Updates
	<ul style="list-style-type: none"> Hear the latest developments from key cellulosic ethanol, FT-liquid and drop-in fuel plants, pilots and demos from around Europe Latest developments in conversion technologies
	Senior Representative, Chemrec
16.25	Afternoon Refreshments
16.55	PANEL DISCUSSION
	Key Challenges in the Commercialisation of Lignofuels
	A chance to discuss the barriers to commercialisation with lignofuel project managers and assess different strategies for overcoming these.
17.40	CHAIRMAN'S SUMMATION
17.50	Close of Day One

DAY TWO: 2nd December 2010

08.30	Registration and Coffee
09.00	CHAIRMAN'S OPENING ADDRESS
09.15	SESSION THREE: PART TWO
	European Project Updates
	<ul style="list-style-type: none"> Scalability of production: what are the key challenges and opportunities that have been identified and how are these being addressed? The role of strategic relationships, partnerships and collaborations in accelerating the development of the lignofuel industry
	Markku Karlsson, Senior Vice President, Technology, UPM-Kymmene Senior Representative, Borregaard Industries Ltd. Senior Representative, BioGasol
11.05	Morning Refreshments
11.35	SESSION THREE: PART THREE
	European Project Updates
	<ul style="list-style-type: none"> Key considerations in converting an existing ethanol plant to produce cellulosic biofuel The importance of plant design, location and feedstock flexibility in the success of your project
	Dario Giordano, Global Director Corporate Research & Development, M&G/Chemtex Fritz Struber, Head of Technology, M-real Hallein AG Wouter Wisselink, Post Doctoral Researcher, Delft University of Technology & Associate Scientist, DSM
13.25	Lunch
14.25	CONFERENCE PRESENTATION
	Cellulosic Biofuels & the Oil Industry
	<ul style="list-style-type: none"> The view from the oil industry on the development of advanced generation biofuels The integration of lignofuels in company strategy and existing infrastructure Can the market for ethanol support the development of cellulosic ethanol in Europe?
15.10	SESSION FOUR
	The Future of Lignofuels in the Automotive and Aviation Industries
	<ul style="list-style-type: none"> Current and future standards, specifications and requirements in line with the latest developments in engine technology Supply chain challenges and the advantages of drop-in fuels Opportunities and challenges in achieving higher level blends in the EU
16.25	CHAIRMAN'S SUMMATION
16.35	Afternoon Refreshments & End of Conference

5 EASY WAYS TO REGISTER

Call: Emmanuel Bossman Tel: + 44 (0)20 7981 2508 Fax: +44 (0)20 7593 0071	Web: http://www.acius.net Mail: ACI Europe, 5/13 Great Suffolk Street, London, SE1 0NS Email: euoffice@acieu.net

TERMS AND CONDITIONS

How to Register

Registrations must be received in writing or electronically at our secure web site. Please complete and mail or fax a copy of the registration form with a cheque or credit card number. Fee includes program materials, networking luncheon and refreshments.

Payment

Payment must be received within five business days of returning the signed contract. After receiving payment a VAT receipt will be issued. If you do not receive a letter outlining details two weeks prior to the event, please contact the Conference Coordinator at ACI Europe Ltd.

Discounts are available for multiple/group bookings. Please call +44 20 7981 2502 for more information

Cancellations

Substitutions are welcome up to 24 hours prior to the event. Cancellations must be received in writing no less than 3 weeks prior to the start of the conference; a full credit voucher towards a future ACI conference will be issued. Any cancellation received less than 3 weeks prior to the start of the event shall be deemed to be a breach of this contract by client, and accordingly, no credits will be given. Cancellations must be received in writing by mail or fax three weeks before the conference. Thereafter the full conference fee is payable. If for any reason ACI Europe Ltd decides to amend, cancel or postpone this conference, the conference fee will not be refunded. Furthermore, ACI Europe Ltd will not be responsible for covering airfare, hotel or other costs incurred by registrants. In the event that ACI Europe Ltd cancel or postpone the event, ACI Europe Ltd reserves the right to transfer this booking to another conference to be held in the following twelve months, or to provide a credit of an equivalent amount to another conference within the following twelve months. The construction, validity and performance of this agreement shall be governed in all respects by the laws of England to the exclusive jurisdiction of whose courts the Parties hereby agree to submit.

About ACI

ACI, a UK owned company, have been running successful conferences for the last 15 years in the USA. Headquartered in Chicago with offices all around the States, they run forums in varied fields and are market leaders in healthcare business conferences. Opening their European head office at the end of 2005, they have expanded rapidly and are launching a series of events covering the maritime, energy, oil and gas industries.

Venue:

To be confirmed

The cost of accommodation is not included in the event fee. Preferential rates will be arranged with or near the event venue, and all confirmed delegates will be given details of how to book accommodation at this rate in due course.

Prices and Payment Information

Conference (Includes Documentation Packet)	01st – 02nd December 2010	£1395
Documentation Packet	Copies of all conference proceedings	£395

Documentation Packet Available

You can purchase the **Lignofuels 2010** papers at just £395. Simply tick the box on the booking form, send it with payment and your copy will be on its way to you after the meeting. This important manual will be a source of invaluable reference for the future.

Discounted Registrations

Members and customers of all supporting organisations are entitled to a discount off their conference package.

For more information please call +44 20 7981 2503.
